What is GBE?

Golden Bull Express is a one day orientation program for entering JCSU students and their parents/guardians. GBE is designed to give students the opportunity to secure their spot in the entering class of 2017. GBE also provides an overview of academic programs and campus resources.

Purpose:

Students and their families will be guided through the processes of financial aid, student accounts, academic advising, and become familiar with the campus community.

Goals/Outcomes:

During GBE, students and their families will be able to acquire knowledge in financial literacy and complete the following steps:

- Academic Advising
- Course Registration
- Financial Clearance Process
